

JANUARY

A note for grownups from DREAMWORKS DANCE ACADEMY

Please take time to come inside and see our new lobby and updates. In cold weather, students will wait inside on black benches. Help Dreamworks grow by commenting on posts on social media or leaving a positive review online. Refer a friend and receive a \$25 credit on your account. January Registration fee is \$22 for new students and our fun Minimester begins the week of Jan 31st!

What we're learning in 2022!

SKILLS AND DRILL

We will be learning all new skills and drills in all classes. Our lesson plans are built to ensure your student is always learning something new!

RECITAL ROUTINES

Our dance classes will begin recital routines in class. We record weekly progress for anyone who needs extra help or a makeup. Please contact us to get these videos.

PERFORMANCE

This is so important for a great show. We will practice performing skills and how to participate in a show. We want to bring out the LITTLE professional in all students.
